# MIDDAY K PROGRAM

This KIDS Club program is for ½ day Kindergartners. This is a terrific School-Aged Child Care for the opposite half part of the school day from your child's Kindergarten time. We provide a social, fun, and educational program where your child will interact with other Kindergartners from all 6 Edina Elementary Schools.

This program is run on the first floor of the Community Center. Our classrooms are 115, 118, and 119. Adult Staff walk with Kindergartners to and from Normandale Elementary School which is on the 2nd floor of the Community Center for their Kindergarten class. Adult Staff also meets busses at Door 1 for kids going to and from the other 5 Elementary Schools (Concord, Cornelia, Countryside, Creek Valley, and Highlands).

→Our Staff/Child ratio is 1:12.

Our educational curriculum is based from some Kindergarten Teachers right here in our district. We try to add to what your child is learning in his/her classroom without copying what they are already doing. We offer 30 minutes of Active Play every day either on a playground or gym. We highlight 10 different social skills, one each month from September through June. We look forward to another great school year in 2011-2012!

### ENROLLMENT CHOICES

**For K+ Students:** KIDS Club programming is offered in your elementary school before and after school. Program hours run from 6:45 am to school start time and from school end time to 6:00 pm.

**For Half Day Kindergarten Students:** If you are enrolled in the half day Kindergarten program, you may elect the half day block of KIDS Club where programming is located at the Edina Community Center (ECC). Before and after school block programming is also available (please refer to the chart below for locations). Transportation is provided one way by Edina Schools. For example, if you are registered for morning Kindergarten and need the half day block of KIDS Club, your child would be transported from their elementary school to the Edina Community Center for KIDS Club programming. If you don't need programming beyond the half day time block, you pick up your child from the Edina Community Center. If you need the after school block of care, your child would remain at the Edina Community Center for the after school program and you would pick them up at the Edina Community Center.
